I am pleased to announce that Smart Sport International is now located at South Congress Athletic Club. The physical address is 1109-B South Congress Avenue - in the heart of the 78704 ZIP code in downtown Austin and less than a half mile from RunTex and the Town Lake trail! The South Congress Athletic Club is owned and operated by Marc and Tracy Frazier - and not only has a "no contracts" policy, but also no initiation fee! With this partnership, downtown Austin has a great resource for self-care, exercise, and health - all under one roof.
