Join me on BlogTalkRadio on Tuesday September 1, 2009 at 8:00 pm central time for the latest episode of "Consumer's Guide To Health". For those considering a spring marathon, it's time to start marathon training. This episode will address the issues of marathon training - what is necessary to be successful, and what you can do to not only improve your performance but stay injury-free in the process.Â

Â This episode's special guest will be Marshall Burt, Austin running coach. Marshall has some perspectives on distance running that will challenge the commonly-held beliefs of the running community. More information on Marshall and his Elite Training Group Track Club can be found at <http://www.theetgtrackclub.com>.
